Terms and Conditions of Sale

1. Every effort has been made to ensure the accuracy of the description of lots but we hereby give notice that all statements, whether spoken or written, are those of opinion only and we do not hold ourselves liable for any errors or omissions. Obvious defects will be noted and unless stated otherwise, all items are considered by us to be in at least good to very good condition. Customers are reminded that certain lots may be fragile due to their age, wear, etc. When handling such material on viewing day at Stoneleigh, you are asked to treat it with the utmost care and attention.
2. Carriage and packing will be charged extra at cost. We despatch items by Royal Mail Special Delivery at a minimum charge of £12 including VAT. Large consignments are sent by Parcel Post. If you require your purchases to be sent by ordinary post, you must indicate this on your bidding form. We always obtain and hold the certificate of posting, but can not accept liability for any loss or damage in transit after items are handed over to Royal Mail, Parcel Force or courier.
3. Bids should be made on the Bidding Form provided with the catalogue. The Bidding Form may also be downloaded from the website.
4. All lots in this section carry a reserve which is published and in all cases will be no less than a minimum of £5. Bids may be for any amount in whole pounds (pence will be ignored) and the highest bidder on any lot will be successful. The amount of the bid paid by the successful bidder, which will be at one bidding step above the previous highest bidder, will be determined by bid increments as defined in the following scale:

Value of Bid	Increment	Value of Bid	Increment
Up to £10	£1	Between £100 and £500	£10
Between £10 and £30	£2	Between £500 and £1000	£20
Between £30 and £100	£5	Over £1000	£50

Please note that any bids received that do not conform to the increments shown in this table will be rounded up to the next legal bid above.

When there is only one bid at or above the reserve, the bidder will pay the reserve price. In the case of equal highest bids, the lot will go to the first bid received. Any unsold lots will be available to buyers for a period of 10 days after the auction at the reserve price on a "first come, first served" basis. Please contact Brian Moakes if you wish to make such an offer (**BrianMoakes@aol.com** or **01234 391459**).

5. A Buyer's Premium of 12% (including VAT) will be raised on all items at the time of settlement.
6. Payment can be made either by card or cheque. Your cheque, or card details, must accompany your bid.

(i) Cheques should be made payable to "Great Central Railwayana Ltd" (*please do not abbreviate*) with the amount left blank, and endorsed "Not To Exceed £XXX" where XXX is the total of all your bids (or your spending limit) *plus* 12% Buyer's Premium (including VAT) and an allowance for packing and carriage. Please *do not forget to sign your cheque!* Your cheque will be shredded if you are completely unsuccessful, otherwise we will enter on the cheque the amount due and a receipt will be enclosed with the lots you have successfully purchased. (*continued on next page*)

(ii) We accept payment by debit and credit card. Debit card payments are free of surcharge. Credit cards attract a 2% surcharge (the amount charged to us by the card company). Your card details must be provided with your bids. This information will be stored securely and shredded shortly after the sale closes.

7. **Special Note to Vendors:** The commission rates for Postal Auction sales are as shown on the Auction Entry Form which must be completed when entering items for auction. Payment will be made to vendors within 10 days of the sale. It is the vendor's responsibility to clear any unsold lots after the auction at their own expense by arrangement with us. Any lots not so cleared within 9 months of the auction date, may be disposed of and the proceeds donated to charity.

Purchasing an Unsold Lot after an Auction
